

# Sutho Hockey Working Bee

Let's prepare for a great season ahead  
Whether you can spare 1 hour or 3

**YOUR HELP IS NEEDED**

**SUNDAY 26<sup>th</sup> February**

from 9am

There are a variety of jobs available from cleaning the clubhouse to gardening and maintenance - jobs for all ages and abilities.

**What to bring** – gloves, garden tools, cleaning equipment. This year our major outdoor project is to fix the erosion around the entrance gate and path – so if you have them we need wheelbarrows and shovels. A chainsaw and a couple of gurneys would also be helpful.
