## **ABOUT OUR CLUB**

**“The objects of the Club shall be to foster the interest and control of the game of hockey in the Sutherland Shire; and to give an opportunity to amateur junior and senior players in the abovementioned Shire to participate in the game of hockey.”**

*From the Constitution of Sutherland District Hockey Club Inc*

“Sutherland District Men’s Hockey Club” was formed in November 1965 and with the help and generosity of Sutherland Council began playing in 1966 at Woollooware Oval. The Club’s home was moved to Sylvania Hockey Park for the 1968 season. In 1980, the Club amalgamated with 3 disbanding Women’s Clubs to expand and include senior and junior Women players as members, and provide an opportunity for women to participate in local SSWHA Competitions.

Over the years the facilities at Hockey Park have been developed to be amongst the best in Sydney. The Clubhouse was officially opened on March 22<sup>nd</sup> 1980, at which time we had two grass fields for hockey. The first synthetic sand field was laid in 1990, and the first synthetic water-based surface was laid in 2001. These endeavours were made possible by contributions from Club members, Club sponsors, Club supporters, Sutherland Shire Council, and the NSW Department of Sport and Recreation.

The Club is currently one of the largest in Sydney. In 2017, 6 men’s teams, 3 women’s teams and 12 junior teams (mixed) represented Sutherland District Hockey Club. In addition to this, the Club’s Friday Minkey programme continues to grow, and our Summer Hockey Competition run for local Primary and High Schools is one of the largest in Australia.

## **OUR CLUB EMBLEM**

Our current Club emblem was adopted in 1996. While clearly depicting our Club name, the emblem keeps traditional elements of previous club designs with the crossed sticks and contemporary representation of the traditional Namandi spirit Adungen, or Aranga.

In Aboriginal mythology there are three types of spirits: the familiar, the harmless, and the malignant, or Namandi. Namandi spirits are feared most of all because many set out to harm and kill Aboriginies. This included stealing the spirits of sick men, consuming the living, and causing great disasters such as droughts and floods.

## OUR SPONSORS

**Thank you to our Club Sponsors for their fantastic support in 2017!**

- Tradies – Gymea, Caringbah, Helensburgh
- Sutherland Mazda – 26-28 Waratah Street Kirrawee
- Gymea Hotel – 41-45 Gymea Bay Road, Gymea
- Just Hockey – State Sports Centre, Homebush
- 20/20 Sports Physiotherapy – 113B Anzac Ave, Engadine
- Mortgage Choice Jannali – 1/96-100 Railway Crescent, Jannali
- Runnulla – Performance footwear and clothing

1990	Dennis Walker	2013	Judy Rowling
1991	Alan White	2015	John Cowan
1995	Craig Turner	2016	Peter Tait
			Beverley Williams

## **PRESIDENT'S REPORT**

2017 was our Club's 51<sup>st</sup> year of operation, and we are able to reflect on a successful season for the Club, with significant on-field highlights in senior men's, senior women's and juniors.

The performance highlight for our senior men's teams was undoubtedly the premiership success in the Sydney Premier League 1 (PL1) competition, a terrific result after also reaching the end of season decider in 2016. This was our Club's 7<sup>th</sup> premiership in the top grade of Sydney men's hockey, our first since 2012.

Our 1<sup>st</sup> Grade women's team finished 3<sup>rd</sup> in the SEHA Women's Premier Division, which was a welcome improvement on the 6<sup>th</sup> and 7<sup>th</sup> placings of the last two seasons, and the result of a lot of hard work over the last two years. Our 3<sup>rd</sup> grade team again reached the grand final, and unfortunately just missed out on the day!

Amongst our Junior teams, 7 of our 12 teams played in grand finals. We won premierships in both the Sydney u15 and u17 Metro competitions, an outstanding achievement for these teams and our Junior section. In the SEHA junior competitions (u11 to u17), we had 5 of our teams playing grand finals, and 2 teams finished with premierships (u13A and u11B).

Player numbers across our senior teams were steady, with no change to the number of men's and women's teams this year from 2016. We had a good uplift in our Friday afternoon Minkey numbers this year, but not quite enough to offset a small decline in numbers across our u11 to u17 teams. A focus on growth in junior and senior player numbers (both attracting new and former players, and retaining the players we have) has to be a key priority for us - and the same could be said for most hockey clubs throughout Sydney.

Good experiences on the playing field, and as part of our Club, are made possible by a group of talented and hard working coaches and team managers along with a dedicated Committee and many other volunteers who are helping out with the myriad of tasks that keep the Club running throughout the year. Volunteers are an incredibly valuable resource that needs to be encouraged, treated with respect – and managed to avoid “burnout”! Growing our volunteer base is the foundation on which many more years of successful Club operations can be built.

Other highlights this year included:

- Our annual Herb Fibbins u11 Association Carnival at Sutherland Hockey Field, which attracted 18 Association teams for this 1-day half field carnival.
- Our Term 4 Summer Schools Hockey competition, which involved over 70 primary and high school teams in 6-a-side quarter field competition
- Another year of excellent support from our sponsors, including Major Sponsor Tradies, in their 16<sup>th</sup> year with the Club
- Life Memberships awarded at the 2016 AGM to Peter Tait and Bev Williams

I look forward to 2018, and seeing further Club growth and development.

**Craig Turner**  
President

# **TREASURER'S REPORT**

## **2017 Financial Year (1/10/16 – 30/9/17)**

### **2017 Highlights.**

Our financial records show a net surplus of \$67.2K (excluding a once-off Dept of Sport & Rec grant of \$13.9K) for the 2016/17 financial year, compared to a net surplus of \$37K in the 2015/16 financial year. This improved surplus was the result of a significant reduction in expenses (\$137K in 2016/17 vs \$184K in 2015/16), which more than offset a decline in total operating income, including sponsorships (\$204K in 2016/17 vs \$221K in 2015/16).

Contributing factors to the 2016/17 financial result:

- 1) A continued growing canteen surplus for the year (\$19K this year vs \$14K in 2016 and \$9K in 2015) was a major contributor to an improved Canteen and Equipment Trading Surplus (\$21.6K in 2017 vs \$10.3K in 2016). The Equipment (uniform) sales result was positive, but also indicates an increased closing stock (\$23K in 2017 vs \$15.6K in 2016). A small portion of the uniform stock is now outdated and there are plans to write off a number of stock items in 2018 which will reduce the holding value of the stock inventory. Thank you to John Cowan and Peter Krepp for taking on the role of Canteen Managers and to Trish Krepp for her invaluable assistance in the Canteen. Thank you also to Garry Thomas and Alison Tait for looking after uniforms and equipment for Sutho again this year.
- 2) A continued growth in sponsorship income thanks to Peter Krepp and Peter Tait's efforts this year. Sponsors contributed \$16K in 2017 compared to \$11k in 2015.
- 3) As always the Term 4 Summer Schools competition run in 2016 by John Cowan and Peter Krepp and their team of helpers contributed both financially and strategically (as a source of new members). Growing participation and revenues from the summer schools competition is a critical objective for Sutho.
- 4) Field hire revenue continued to fall this year: \$78K in 2017 vs \$83K in 2016 and \$100K in 2014.
- 5) There was a significant new (ongoing) expense this year of Council water charges for the synthetic surface (\$5.3K). Annual expenses directly attributable to the synthetic playing surface (electricity, water, insurance, repairs/maintenance) were \$41.5K (vs \$40K in 2016).
- 6) Total Membership fees (\$70K in 2017, unchanged from \$70K in 2016) were just adequate to cover Association fees (\$57K) plus General Club expenses and Council rates (\$10.5K). Other key expenses (including coaching fees and representative player subsidies) are supported by other revenues (principally sponsorship and canteen surplus).
- 7) The Sutherland Hockey Club Academy did not run in 2017, hence a reduction (largely balancing) in both income and expenses. Also there was very little in the way of fund raising activities this year, compared to earnings of \$3.2K in 2016 (from the HNSW Car raffle).
- 8) Association fees decreased marginally to \$57K from \$62K in 2016. This can be attributed to Sutherland entering a few less junior teams in competitions this year.
- 9) Repairs and Maintenance expenses returned to normal this financial year with a decrease from \$41K in 2016 to \$15K in 2017.

## **2017 Summary.**

SDHC has a healthy Cash balance (including all Term Deposits) of \$426K in 2017 (vs \$379K in 2016 and \$341K in 2015). Our cash holdings put the Club in a good position to manage the anticipated costs of the synthetic surface replacement project (~\$350K), however we are vigorously pursuing multiple opportunities for Government / Community grants to assist with this major project.

While 2017 proved to be a successful year some caution is warranted. There was a notional contribution in 2017 of \$36.5K from field hire after directly attributable expenses, which is barely covering the required annual contribution to the sinking fund for a fully funded surface replacement. Looking ahead, the availability of Greenhills may lead to a significant reduction in field bookings from SSHA (for representative teams and Sunday morning J1 competition) and some training bookings from other clubs in 2018, putting further downward pressure on field revenues next year and our ability to continue growing the sinking fund at an acceptable rate.

It is important to note that in 2017 players fees were able to be kept at a reasonable level thanks to the amount of non-player revenue we collected through Sponsorship, Canteen Sales, Turf Hire, Schools Competition and so on. These items remain important as sources of revenue but continued efforts by the Committee and Club members with shrinking volunteer numbers mean that SDHC may struggle to continue to keep playing costs down. There is also a forecasted increase in player contributions to Hockey Australia in 2018, which SDHC assumes will be passed on to players by HNSW in their 2018 fees.

Thank you to Warwick Bardsley for introducing "SQUARE" to our Club this year. It has been in operation in our canteen for a number of months and allows us to accept card payments.

Thank you to Margaret Noy for her invaluable work in the role of Assistant Treasurer.

Thank you to our major sponsors: Tradies, Sutherland Mazda, Gynea Hotel and Just Hockey. Thank you also to our other sponsors 2020 Sports Physiotherapy, Mortgage Choice Jannali, Runnulla, Brookes Partners, On Point Property Maintenance, and Inside Line Roofing. These companies are there in the background supporting us financially, and we encourage members to support them in return.

Best wishes to all for a prosperous 2018.

**Carol Janes**

SDHC Treasurer

## **CANTEEN REPORT**

After a very successful 2016 canteen performance, this year proved to be even better. The canteen is important financially but it also enhances the reputation of the Club by providing a good value offering to members, visitors and spectators in a vibrant Clubhouse atmosphere. It was open this year for Club competition matches, as well as SEHA Finals, Summer Hockey, the Club's Primary Schools Gala Day, Minkeys on Fridays, and 2 school coaching days run by HNSW.

The financial performance was fantastic. Trading profit exclusive of GST was \$20,500 on \$37,900 sales compared to \$15,800 on \$32,400 turnover in 2016. The turnover increased on 2016 due mainly to 3 extra Premier League home games and a 50 cents per drink increase in alcohol prices mid-June. All other prices were maintained at 2016 levels.

Margins improved commensurate with the increased turnover but also because the cash and stock balanced almost perfectly every week. This reflects highly on the Duty Officers and all Club volunteers. There was also continued focus on optimal purchasing and a rationalised product offering to minimise waste. The introduction of a healthy hamburger offering was well-received as was the introduction of a EFTPOS facility at a minimal cost to the Club. Thanks to Michael Rose & Warwick Bardsley for getting this organised.

An operational and financial highlight of the year was again the Herb Fibbins junior carnival when the Club hosted 18 teams from all over the State, 2 more than last year. Our organisation was near faultless which reflected on the willing assistance of so many of our members and parents. Unlike last year, we ran a raffle which lifted the day's profit to \$2800 plus a \$3000 contribution from team entry fees after costs for umpires, trophies and first aid were deducted.

Trish Krepp warrants special mention for her tireless efforts in the canteen, in both purchasing and serving. Her Outstanding Service Award was a well-deserved recognition for her efforts.

That said, the canteen operation is the ultimate team effort by Club members, from the President, Craig Turner for his efficiency in rostering, to the team of Duty Officers who controlled operations on nominated days with good humour and great efficiency and the many Club members and parents who assisted on both sides of the counter during the year (as workers and as customers). The Duty Officer roles were performed magnificently so thanks to all Committee members who took their turns, and also to non-Committee members Nicole & Tony Neale, Dave Richardson, Tracey & Les Wilde, Ross Angus, Mark Bayley & Ray Northwood who regularly fulfilled this critical function.

To put the importance of the canteen into context, this year's contribution represents \$50-\$60 for every male, female and junior member of the Club. Without it, fees would have to be higher to compensate. So it is very satisfying for Peter and I to get the support we do in operating it.

**John Cowan & Peter Krepp**  
(Canteen Supervisors)

## **JUNIOR CONVENOR'S REPORT**

2017 again proved to be a wonderful season for Junior Hockey at Sutho:

- Junior membership numbers of 224 in 2017 (vs 236 in 2016), with a lift in Minkey numbers partially offsetting a fall in numbers in the u11 to u17 age group teams
- 12 mixed junior teams were fielded in winter competitions (vs 14 teams in 2016), 9 of those in the Sydney East HA junior competitions, and 3 in Sydney Metro competitions.
- We finished as premiers in both the u17 and u15 Sydney Metro competitions, a terrific achievement for those teams, and a great indicator of the playing strength we have in our Club at this level of junior hockey in Sydney.
- 5 of our 9 teams in the Sydney East HA Competition played in Grand Finals, and we finished with 2 SEHA Junior Premierships: u13A and u11B
- Again we had a very capable group of junior umpires to support our umpire roster, and they were able to cover the majority of our junior games each week.
- 48 kids registered with us for the Club's Friday afternoon Minkey program for 4-9 year olds, and were joined there by another 27 primary school girls from Danebank
- In its 33rd year, 71 teams participated in our 2016 Term 4 summer schools hockey competitions (covering primary school and high schools) which introduces many kids to the sport of hockey in our off-season, and is also a significant fundraiser for the Club
- Through the promotional and organisational efforts of John Cowan and Peter Krepp, the Primary School Gala day was again run this year, with 13 teams from 6 schools participating in a full day of games and specialist coaching.
- Again we had over 70 junior players selected in Association Representative teams to participate at HNSW State Championships at u13, u15 and u18 level
- 10 of our junior players achieved HNSW State field hockey team selection (State or Blues) in 2017
- The Herb Fibbins u11 Association Carnival was again an outstanding success in 2017. We continued with the half field format introduced in 2015 along with mixed teams, and had a great Carnival for 18 u11 teams across A and B Divisions.

Notwithstanding this very positive list of highlights, the season wasn't without its administrative challenges – and the new approach to the competition draw from Sydney East HA certainly was high on the list. Initial versions of the draw effectively disregarded Sutherland Hockey Field as a home field for a number of our junior teams, and it took some time and detailed work to get some improvements to this situation.

Of course the impact of Greenhills not becoming available was quite significant. We had high hopes that some of the Friday night games for our u15 and u17 teams could be scheduled at Greenhills this season, but that didn't happen. The impact of Greenhills not being available was even more severe for our u11s, as we had quite a number of registered players (and parents) expecting to play their season of hockey entirely locally this year as part of the Sydney South junior competition. In the end we had to revert to placing an u11B team in the Sydney East competition again, and in the process lost a number of players (and effectively had to fall back from 3 to 2 u11 teams).

We had two "Buddy Nights" early in the season (for u11 and u13 players) which were well supported by our 1<sup>st</sup> grade players. Unfortunately we were not able to follow-up with a rerun of the Sutherland Junior Academy Tuesday night skill development sessions that have been popular in recent seasons – other than a

short 6 week block for a group of u15 players late in Term 3. We will have another go with the junior skill development sessions in 2018.

### Our Volunteers

The successes we have achieved this year, and in particular the satisfaction and enjoyment so many kids have got out of their year of hockey with Sutherland, doesn't happen without the efforts of many volunteers who take on a role – whether that is coaching or managing teams, assisting with the administration of the junior operation, or simply parents doing their part in supporting Team Duty..

In particular, I want to recognise:

- The Junior Age Coordinators, who again provided invaluable assistance with the management of our junior operation – especially at the start of the season. My thanks to Peter Krepp (u19/Minkey), Andrew Hoy (u11), David Richardson (u13), Warwick Bardsley (u15), and Mark Bayley (u17) who did a terrific job in supporting coaches, managers, parents and players through the early season registration and team selection processes, and then continued to support their teams with any issues that arose through the season
- Our group of enthusiastic and highly skilled Team Coaches and Managers who are at the “front line” every week of the season in making sure the experience our junior players (and their parents) have with our Club and their team is positive and rewarding.
- The support from Team Managers and junior parents to the Team Duty roster, particularly Canteen Duty each Saturday morning, was another highlight. There was a more uneven allocation of duty slots this year due to the vagaries of the SEHA competition draw, nevertheless we again had strong parent support across all teams.
- The team of volunteers, including John Cowan, Peter and Trish Krepp, Grant Fuller, Alan White and Ray Northwood, who again delivered the 2016 summer schools competition
- Michelle Donni, who managed all of our Junior team, player and umpire records, including submission of match cards, and looked after trophies for Junior Presentation
- The support from our three u13 teams this season in providing (4) ball kids for each of our 1<sup>st</sup> grade men's home games. This was greatly appreciated by the 1<sup>st</sup> grade team.
- Alison Tait, who maintained the Club's social media presence and website, operated as our Junior Registrar, and along with Garry Thomas organised junior playing uniforms
- Ross Angus, who again took on the task of managing the junior umpire appointments each week, which generally seemed to operate quite smoothly this year given a good supply of umpires, although there were still quite a few occasions where finding umpires for Friday night away games in particular was very challenging

**Craig Turner**  
Junior Convenor

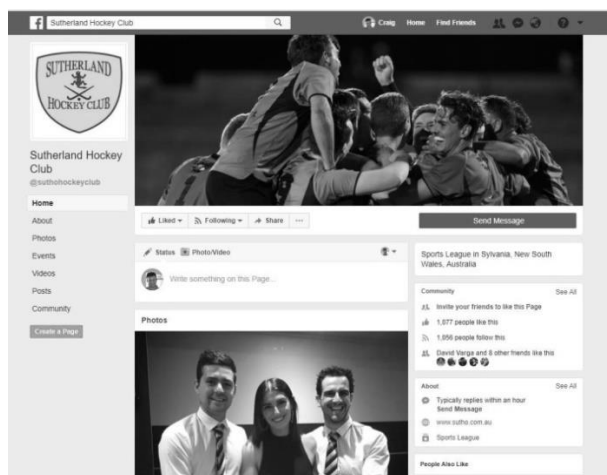

# PUBLICITY & COMMUNICATIONS

Creating awareness and building engagement with the Club is the key objective for our various publicity and communication activities. There are multiple audiences for our content who are interested to hear about what's happening at Sutho – starting with our current junior and senior membership group and their family and friends, but extending to past members and many other interested people in the local Sutherland Shire community, or the broader hockey community.

Our Facebook page, our Club website, and the sports pages of the St George and Sutherland Shire Leader newspaper have all been a focus this year for our publicity and communications activities.

Sutherland & St George Leader

## MEN'S TEAM REPORTS

### 1<sup>st</sup> Grade – Premier League 1

With 5 players not playing in 2017 from the 2016 grand final team I guess the words “over coming challenges” goes some way to summing up our 2017 season. Both Jay and I took on the team knowing it was going to take some time. We had a little bit more than a wall that needed to be built and it was not going to happen quickly - it would be one brick at a time. The key would be our time together and communication as we tried to challenge the way we had played in the past and grow as a team.

Our season had a bumpy start to say the least with consistency and a lack of experienced depth due to 3 senior player retirees and some early injuries hampering our results. At the same time this gave some good younger players such as Mitch Schipp, Harry Roberts and Christian Halyard (Buzz) opportunities in the top grade. They all performed well and have big futures ahead of them. Buzz went on to secure a permanent spot in the team and had a great season which is credit to him.

We were fortunate to have Matt Phillips come back to play for the Club this season and he added some much needed toughness and experience for our team in defence. Matt was the 1<sup>st</sup> grade premiership captain in 2011 & 2012 and that would pay dividends in the finals series for our team.

Kieran Govers, who joined about 10 weeks into the season was a huge plus for the team and the Club as a whole. Kieran last played for the Club in 2005 & 2010 and it was great to have someone of his experience with the Kookaburras to lead the way for our striker line. We also had Luke Noblett return at the halfway point of the season from a successful season in the UK. Luke added further depth and experience to our defence. All 3 players would go on and be key contributors to our team's centre spine and success in 2017.

At the halfway point, we sat in 7<sup>th</sup>, which didn't feel like a reflection of the team's ability but the results were what they were. We had played some good patches of hockey and could match and beat any team in the comp, but our consistency and unforced errors were letting us down. We knew if we could reduce the unforced errors and have more time together we could give the competition a real shot.

The introduction and investment by the club in the Hudl video hosting program paid dividends. Our videoing and our stats didn't lie - we were creating more opportunities than the top 6 teams but we were shooting ourselves in the foot with our own mistakes and not taking smart opportunities in the circle. With Kieran, a world class drag flicker, more short corners would automatically improve our teams results and in the end our team's fortunes.

Our back end of the season is what we will talk about for years to come. Our last loss for the season was against Moorebank in the 2<sup>nd</sup> round at home with a 3-4 result in a game we could have easily won but again didn't through our own mistakes. This would go down as our last loss for the season and we would eventually meet Moorebank in the Grand Final. As coaches, we could see and feel us getting better each week as we spent more time together.

We finished 4<sup>th</sup> in the regular season and played Briars in our first semi. In a tightly contested game early on and with some interesting umpiring we found ourselves down to 8 players in the 1<sup>st</sup> half for a period of time which unsettled us and hampered us from getting some real rhythm in the game. We regrouped in the 2<sup>nd</sup> half to take the game to a 3-0 win. It was a good first up result in the semis but we needed to be better against the hot Ryde outfit a week later.

Ryde in my opinion was the team we needed to beat. We were confident if we beat them we could get the job done the following week and what a game it was. The inclusion of the Craig brothers from Perth in the Ryde team for this game who didn't play in their semi the week before just put another log on our team's fire.

In a game which was end to end we had our share of the opportunities. At 2-2, Ryde were awarded 2 penalty corners which they converted off both to go ahead 4-2. The game felt like it was slipping away even though we had played well. We had discussed bringing Nathan Ackroyd off and playing with an extra field player - risky, but we had done this before with mixed success – but we needed to put Ryde under more pressure. The change worked and we scored via a penalty stroke by Matt Johnson to get us back to 3-4, but minutes later Ryde were awarded a short corner with us having no goal keeper. The Ryde drag flicker slipped and Matt Phillips made the save of his career on the line and Mitch Wray cleared the ball from the circle. Less than a minute later we gained another short corner which Kieran Govers converted to level us at 4 all, we quickly put Nathan Ackroyd back on in goals and went into extra time golden goal drop off to 9 players. Ryde lost a player to the sin bin before full time so we had the advantage. Within a minute we received a short corner in which Kieran Govers converted again to take us into the grand final. What a game!!

Sutho hadn't beaten Moorebank since 2012 and the Grand Final was a fitting game to try to end Moorebank's winning streak against us. What most people don't understand is the challenges both on and off the field put on this fantastic group of guys which brought us closer together. The guys did it, as coaches we just helped steer the ship for them. Off the field the hits kept coming right up to the grand final but we stood strong and fought back from 1-2 down at half time to win the game 3-2. The effort shown by the players, particularly in the 2<sup>nd</sup> half, was outstanding.

As a coaching group, you could just feel the energy in the group, the ability these guys had but they wanted it and worked hard for each other to achieve our 7th premiership for the Club. There are many highlights from the season including Jack's Hayes tunes & special plays lists, Mitch Wray's overdue for replacement under wear, our lead up and finals series, but for us it was experiencing that moment and the feelings when the siren went off and the subsequent few hours. It is something that money just can't buy, and memories

as team mates we will have with all of them for a life time. Congrats to the players on becoming 2017 SHA 1<sup>st</sup> Grade Premiers!

Many Thanks:

Thanks to Peter Krepp (Kreppy) for managing the team all season, he is a great people person and loved being with the guys. Thanks to John Cowan (JC) for all the videoing and helping with Tuesday nights. JC has provided this team a competitive advantage with his videoing for a number of years and we would not be where we are without him. Thanks to Shiblee Dowla of 20/20 Physio, Shiblee turned up to most Tues or Wed nights looking at guys and was with us in the finals series and kept guys on the park for us. Thanks to Craig Turner for the great photos from the finals series. Thanks to John Hollyman for running our preseason for the 1<sup>st</sup> grade squad. To our club sponsors in particular Runnulla, Gynea Hotel, 20/20 Sports Physio for supporting our 1<sup>st</sup> Grade team. To our Sutho Supporters and Families we appreciate your support this year and hopefully we can raise the bar once again in 2018. Finally, to our families (Tait & Holley) thanks very much for putting up with us in the hockey season, without your support it cannot happen.

#### Best and Fairest – Equal Points

Cameron Buesnel – Cameron, or as his mates call him Ranga, had a great season for us in the striker line. He trained hard and played extremely well for us all season and in the final series, in particular he had a great game in the grand final under difficult personal circumstances. Great season Cam

Matt Phillips – Matt was excellent for us in our defence for our team this season. He worked hard to get his fitness up to the level required. His experience and calmness in the finals series and the grand final under pressure was outstanding. Great Season Matty!

#### Coaches Award – Mitchell Wray

Mitchell stepped up as Captain and did a great job for the team. Respected and liked by his team mates, he led the team extremely well and to the Club's 7<sup>th</sup> first Grade Premiership. Mitch was Mr Consistent at training, with a heavy work schedule and some injuries he trained twice a week all season and led the team by example.

#### Player of the Year – Kieran Govers

Passion, game changer and team player sum up Kieran's season back playing for Sutho. Kieran could have quite easily just played for us and expected things to just happen but anyone that knows him knows that he got where he has through his hard work and determination as a player.

He led by example both on and off the field. His passion and impact in the finals series is something I have never seen from one individual before in our time at Sutho. Our young Sutho kids who came out to watch were blown away by his work rate, passion and of course his drag flicking skills. Off the field, he also helped lead our team dinners which in my opinion made a big difference to our team's connection and ultimate success, and although he has achieved a lot in his career he has now won a 1<sup>st</sup> Grade Premiership with Sutho to go with all his other achievements as a player. Congrats to Kieran.

**Brothers In Arms**

**Peter Tait & Jason Holley**

1<sup>st</sup> Grade Co-coaches

## **2<sup>nd</sup> Grade – Premier League 2**

Having lost agonisingly by a late goal in both the 2015 and 2016 Grand Finals, hopes were very high for a “3<sup>rd</sup> time lucky” outcome for 2<sup>nd</sup> Grade in 2017. That the team finished 7<sup>th</sup>, not making the semi-finals, was therefore extremely disappointing. However the result does not fairly reflect performance. In many ways, the 2017 outcome was better than the outstanding displays of the previous 2 years.

I say this because the Club lost 10 players from its 1<sup>st</sup> & 2<sup>nd</sup> Grade roster of 2016. There were 3 retirements in 1<sup>st</sup> Grade plus 2 others did not play, and 5 of last year’s 2<sup>nd</sup> Grade were absent due to injury, work or study commitments. We had only 6 experienced players, two of whom were just 21, and only once did all play together. With injuries in 1<sup>st</sup> Grade, we often had 2 of them absent.

We therefore had to rely heavily on our juniors, who were exposed well before they were really ready for this standard. Most weeks we had 6 players who were 17 years or younger which meant we were conceding not only experience, but also speed and strength compared to our opponents.

We opened the season with a 1-6 loss to NWS, an eventual semi-finalist. However our team was decimated by player unavailability that day and we avenged this loss 5-2 in the 2<sup>nd</sup> round on the only day we had our 6 experienced players engaged.

Reflective of our frustrating season was the first round match against Briars who finished 4<sup>th</sup> in the comp. We played really well in the first half and led 2-0 at half time. We then conceded 2 soft goals early in the 2<sup>nd</sup> half and with our lack of experience, could not stop the opposition's momentum and lost 7-3. In the second round rematch, we had a 3-3 draw.

Overall the team was extremely competitive in all matches. We generally dominated the midfield but were found lacking in the critical circle areas. We regularly struggled to convert the many attacking chances we created into goals and in most matches conceded "soft" goals at critical times. In the previous 2 seasons, defence was our hallmark, conceding less than 1.5 goals per game. In 2017 we averaged 3 goals against per game, too many to regularly win. Understandable though, because we had lost all but one of our entire defence from last year.

By the end of the season we had developed into a good team as the juniors benefitted from the experience. I do believe if we had scraped into the semis, we could have done well because earlier in the season we had 2 very tight 1 goal losses to the eventual premiers UNSW and draws with the 2<sup>nd</sup> & 3<sup>rd</sup> placed teams Moorebank and Ryde.

With the benefit of this year's experience, I expect 2<sup>nd</sup> Grade to do really well next year with young players like Mitch Shipp, Harry Roberts & Mason Neale now developed into fully-fledged 2<sup>nd</sup> Graders.

The Best and Fairest was shared between Mitch Shipp and Brendan Sharp. Mitch as an U17 player had a terrific year and played several 1<sup>st</sup> Grade games well. Brendan had a frustrating year due to his new job & young family restricting his opportunity to train, but despite this he still scored more goals than any other player in the Premier League 2 competition.

My Coach's award went to Michael Sharkey whose attitude and support within the team was amazing. He trained twice most weeks, has never played better, and was 1<sup>st</sup> reserve for the 1<sup>st</sup> Grade Premiership team.

Thanks to Peter Krepp, who fulfilled the Manager duties faultlessly and was a great help at training and in guidance for the young players in the team. The team had a wonderful dynamic, with the older players being very patient with the youth, and the young ones very willing to learn.

#### Regular Team members:

Damon Arapa, Wade Tonna, Trent Smith, Mitch Shipp, Michael Sharkey, Ralph Prince, Adam Sullivan, Iain McClung, Brendan Sharp, Harry Roberts, Mason Neale, Sam Lackey, Matthew Turner, Zac Nyrhinen (& 1<sup>st</sup> Grade), Nick Rose and until injured halfway through the season Eythan Rowling.

**Coach:** John Cowan

**Manager:** Peter Krepp

### 3<sup>rd</sup> Grade – Premier League 3

Following on from a grand final in PL3 last year, we had high hopes for another successful year for 3rd grade in 2017. What is success? In terms of results and position on the ladder, it wasn't a great season, finishing 11<sup>th</sup> of 12. However, we were competitive in all but a couple of games, pushed all the top teams at different stages, and played some good hockey. We saw a number of players progress through to 2<sup>nd</sup> grade, and brought through quite a few juniors into Premier League hockey, both of which were very pleasing. The development of these guys was palpable.

Pre-season was the strongest in many years, with a very solid fitness program mid week at Sutho or as part of the club Saturday morning sand hills. Both were well attended, as well as good turnouts for the trials each week. Melch and Piles had us working very hard, and we started the season with a double header in the best shape for ages, although it didn't feel that way when the first game at Pennant Hills at 30 degrees and 100% humidity was possibly the slowest game in history – suited Piles down to a tee!

Unlike 2016 where we had large numbers across all 6 men's teams and fairly regular squads every week, this year we had lower numbers, and high numbers of unavailable players, including a few mid term injuries, and so we struggled to field 11 fresh players let alone a fresh 14 players each week. Often we used the maximum 5 double ups between 2nds and 4ths. This definitely effected our ability to play fast, dynamic hockey like the year before, at least for extended periods, and we often lost games late in the match. But adversity creates opportunity, and it meant the younger guys got a lot more game time than we expected at the start of the season. Thanks to everyone who doubled up.

Like last year, PL3 was another very close comp. With 22 rounds this year, every team played home and away. There were no easy games, and all but the bottom team were still fighting for finals until late in the season. This year we had UTS and Manly drop down to PL3, as the top team for their clubs, so they both had a number of recent PL1 players. While Manly fell away, UTS and Bankstown picked up a couple of Pakistan junior international players, and both teams skipped away to take the top spots, as well as inflicting some drubbings late in the year. The next 9 teams fought right to the end for the last 4 spots in the finals.

We were very competitive in a super even competition – we beat second placed Bankstown 1-0, and lost by 1 goal both times to Grand finalists Moorebank. However, where last year we won or drew close games, this season we drew or lost them, and while every team were showing the same inconsistent results that kept us alive, we didn't really ever threaten for finals. We had that sinking feeling of the game that got away too many times, making for some quiet dressing rooms, lots of navel gazing, and far too infrequent singing. But the hockey was fast and tough, making the week to week contest enjoyable and from a development standpoint, this was fantastic because every week was game on. This is always a challenge, especially for our younger guys coming up from juniors – there was nowhere to hide or chance to go missing, and as a group we stayed positive about this challenge.

Our squad had six or seven u17's, and three u15s. We had a few experienced guys in their twenties, and a couple of older gentlemen, supposedly providing experience. However we did have some movements along the way. During the year we had a number of keepers, with key injuries to Will and then Aidan at different stages. Will came back finished the season strongly and 2<sup>nd</sup> on our B&F. We also saw Blake "the Wolf" Malone return from a few years hiatus to add some class to our midfield, and saw Nic, Jay, Turner, Riley, Mac and Ryan all get second grade games at different stages, which was very pleasing.

For the most part we remained a strong defensive unit, although we did concede more often than we would have liked. Our attack was sometimes patchy, and while we were able to create pressure and chances, our conversion often let us down. This was costly and never clearer than when we lost to UTS 10-0, but if we had taken our chances it could easily have been 10-2 or 10-3. More seriously, we lost a number of games by 1 goal when we had enough good chances to win, and drew games we should have won. While it seemed decisions and luck were often against us, we just didn't score enough.

Our playing structure did improve throughout the year. We focused on how to use our back 3 or 4 for outletting, with some assistance from Spud, and especially how to overlap our wide defenders, just like the olden days when we had wing halves. By season end, all will remember seeing Jay scything through from the back on the right, even making up into the circle!

Overall, an enjoyable season as a player, and the dressing room banter certainly kept us older players feeling younger, with all snapbooking and facechat! The awards all deservedly went to the rising young guns, who have collectively worked very hard and will be a continuing force to be reckoned with in the higher grades over the years to come.

**Best & Fairest** – Jay Kelly– Moving up from 4ths and his first year out of juniors, Jay was a force at right side defender. A strong tackler, Jay polled consistently through the year. His effort was epitomised by a number of last ditch diving saves (Jay loves a dive). Sometimes these went wrong, and he did concede a number of strokes, but was well ahead on the ledger. Jay tells us diving is a good way to get B&F points! The sight of him playing in 25 degree heat at Ryde wearing full leg skins to cover his scabby knees will long be remembered. Pleasingly, Jay really improved his attacking input and became dangerous on the right side overlap later in the season as we pushed him forward. With great acceleration, as his passing improves he will become a very potent attacking weapon. Great season Jay.

**Coaches Award** - 3<sup>rd</sup> and 4th grade shared – Nick Rose and Hayden Neale.

Nick worked incredibly hard on his game this season, and was rewarded with time in second grade. His strength has always been his tackling and speed, and this became more consistent and reliable as the season progressed. But the big improvement, especially noticeable in the last 5-6 weeks of the season, was his

expanding attacking contribution. His receive, pass and carry efforts showed better decision making and improved calmness. And with his new low bow super light carbon wonder stick we saw some enormous overheads from the back and a couple of goals from short corner drag flicks, which really added an extra bow (low) to his game. This was testament to his effort and dedication at every session – he showed that putting in the work in the right areas pays off. Great job Nick.

Hayden made his debut as a 2<sup>nd</sup> year U15 and embraced everything about men's hockey. Right from pre-season he committed to the squad, doing the early season fitness... He was always at training, and loved being around the men's group. Hayden worked on all aspects of his game – his big focus was to transition from junior play into our senior style, and this progress was massive throughout the year. It meant playing different positions, and different roles, as well as different tempos - when to attack and when to slow it down and pull it back. He is also progressing with a drag flick, although Mason says it still needs work! With his pace and attacking flare, Hayden will really make an impact in the higher grades in the next couple of years if he continues his focus and dedication. Well done.

**Brad Bollard**

Manager

## **4<sup>th</sup> Grade – Premier League 4**

The Sutho fourth grade team continued to enjoy the challenges of playing in Premier League this season. The team didn't qualify for the finals, finishing 9<sup>th</sup> of 12 teams (which was one place lower than the prior season), however the team remained competitive in most games.

Every game was tough – there was never an 'easy' opponent. It is a high standard of hockey in PL4 and to succeed requires a season-long commitment from the playing squad. Although the team lost more games

than we won, the regular feedback from opposition teams was that Sutho are always dangerous, particularly at home, and should not be taken lightly regardless of position on the ladder. That is an asset for the team and the club that has been earned during many games and over many seasons. This fourth grade team continued to uphold that tradition by never giving up – regardless of the level of experience on the park or the situation the team found itself in against the top-ranked teams.

A relatively pleasing aspect for the team this season was the number of goals scored. The team played 22 games and scored 44 goals – an average of 2 goals per game. In recent seasons, scoring has been a real issue for the team. We always seem to be able to create loads of opportunities, but had found it difficult to convert those possessions in the opposition circle into goals. There was a focus this season at trainings on striker skills, importantly moving and leading into the right areas, rather than a more weighted focus on stick skills. So a big thanks to the coaches for identifying/acknowledging this issue and implementing training drills to develop improved movement up the field that resulted in more positive outcomes after penetrating the opposition's defence.

It was a large field of players who pitched in to make it an enjoyable season and helped to build spirit within the team. We welcomed a few new players to the club and into the team this season, including Chris Fishlock and Luke Murray, with the team bolstered by their skills and commitment. And as is tradition for this grade, there were quite a few Sutho juniors making the transition into senior hockey who moved up, down and through the team this season. This included Kosta Mastro, Nick Wilde, Matt Quinlivan, Luke Arapa, Lachlan Cartwright, Hayden Neale, Blake Hernandez, Cameron Bailey and Dakota Jattan.

The more experienced warhorses in the team, including Mitch Rowling, Matty Stevens, Pete Coroneo and Dave Richardson, enjoyed the fresh legs and perspectives of this solid skill base for the future. There were younger warhorses who continued to perform for the team, including Josh Brown, Geoff Noy, Matt Jones and Will Watson. And we shouldn't forget some special guest appearances during the season from Andrew Melchert (out of retirement again), Phil Rowling and Sam Lackey – contributions greatly appreciated. Thanks also to the other club players who assisted the team throughout the season.

Congratulations to David Richardson (Best & Fairest) and Hayden Neale (Coaches Award 3<sup>rd</sup>/4<sup>th</sup>) for a great season of hockey.

A huge thanks to Melch and Piles for their coaching expertise and guidance throughout the season. Thanks also to Sean Kelly and Brad Bollard for their input and continued behind-the-scenes efforts before and during the season ensuring a competitive PL4 team.

**David Richardson**

Captain

## **5<sup>th</sup> Grade – Sydney League 2**

So close but so far, unfortunately.

We started the year with a strong win but it all went sour from there. We had one of those seasons where multiple injuries compounded by a lot of guys having a lot of time off for holidays and work left us floundering in 2<sup>nd</sup> last at the half way mark.

And then it happened - everybody started turning up to play, with a little bit of help from a few “old guys” we won about 7 of our last 9 games. Beating the top 4 teams on multiple occasions, but it was too little too late missing out by a point to make the finals.

As usual in 5<sup>th</sup> grade we had a nice mixture of young stars on their way up intermingled with a few of us old blokes to give a steady influence in times of strife.

Congratulations to Brendon Hol on his terrific season winning our Best and Fairest by a country mile while his older brother Tom cashed in with Most Improved award and Dad John had another terrific year to cap off a memorable year for the Hol family.

Looking forward to seeing you all again next year hopefully we won't have a mid-season slump and we can chase a premiership

**Mark Brookfield**

Captain

## **6<sup>th</sup> Grade – Sydney League 4**

This year we had a number of old faces, some fresh faces from last year and some new players starting in senior hockey. We started off the season really well, having some great games against the top teams from last year and only just missing out on some great wins.

Each player had some outstanding games during the season and this was highlighted during the team talks afterwards, it's not just the result that mattered it was the effort that was put in by either one or all the players. We played some magnificent games against the really hard teams but we let ourselves down against the “easybeats” and through one period of four weeks came away with no points when we should've had many. The encouraging part was we showed ourselves we can play some serious hockey at times and next year with practice we will better ourselves and make the finals again as we did the year before.

Some good performances during the year from Alex, Sean, both Adams, Cameron and the food crew with regular performances of high standard from Phil Rowling and David Lucas. It's always a pleasure to lead and captain these players and looking forward to doing it all again next year.

Best and fairest went to Alex Doyle and Coach's award went to Adam Howard. Highest scorer by a fairway was Phil Rowling and congratulations to him on his 100th goal whilst playing with Sutherland hockey club.

**Mark Bayley**

Captain

## **WOMEN'S REPORTS**

#suthowomens season started off in early January with pre-season fitness training. We were very excited to see so many players attending and getting their fitness ready before trials and final team allocations in March.

It was agreed by the Committee at the end of 2016 that the women's teams needed a new fresh look. After consideration of what to change, it was agreed that the skort was certainly in need of an upgrade. After many weeks of sorting sizes and organising payments, the new skorts arrived and the teams were ready to start the 2017 season off with a BANG!! I must say all teams looked fabulous!!!

We had quite a few new players this season and we were getting very excited as it looked as though we might make a fourth team. Unfortunately after much consideration and numerous discussions, we came to the conclusion that we just didn't have quite enough players to make that fourth team – maybe next year! It was also very exciting to see a number of our Junior Girls deciding to transition to the women's competition.

Sunday 25<sup>th</sup> June was our second Sutho Ladies Day. It was a beautiful sunny day with all our women's' teams playing against Dolphins. Ladies Day is to celebrate women in hockey of all ages, and it certainly has been exciting to see this event become a regular part of the club's calendar. A huge thank you goes to everyone involved in making our Ladies Day a huge success. A very special mention goes to Tanya Arathoon from Dolphins for taking the time to make each of our Womens Teams a box of cupcakes cleverly decorated with the Sutherland District Hockey Clubs logo.

This year saw our 1<sup>st</sup> Grade and 3<sup>rd</sup> Grade teams make it through to the semi-finals. 1<sup>st</sup> grade were victorious in their semi-final, but unfortunately went down in the final. Our lovely 3<sup>rd</sup> Grade Wildcats won their semi and then their final to take the first spot in their Grand Final. Unfortunately it wasn't going to be Sutho's year for a grand final win, and they were beaten on the day.

We would like to thank Anna, Wade and Jackie for their time and effort in running each #suthowomens team this season. Also a big thank you to Sarah and Sam for coaching 1<sup>st</sup> and 2<sup>nd</sup> Grade.

Last but not least a huge thank you to all the #suthowomens players for a wonderful 2017 season and we look forward to seeing you again in 2018.

**Michelle Donni and Lee-Anne Callinan**  
Senior Women's Co-convenors 2017

## 1<sup>st</sup> Grade Arangas – SEHA Premier League

### #suthowomens Premier League 2017 Report

Our #suthowomens Premier League senior lades enjoyed a great 2017 season, finishing a sensational 3rd in both the minor and major standings of the SEHA Women's Premier League competition, representing an improvement of 3 spots on the ladder in 12 months.

The hard work and dedication started at pre season in January, flowed through to trials and competition prep in March, continued throughout the 23 weeks of competition April to August and culminated in strong semi and final games in September. The team chose to believe in themselves and in one another; the results speak for themselves.

Once again a great commitment to training allowed the team to come together quickly, learn new skills and hone the key strategies of the game plan. The on field focus points of creating and use space, working in triangles, maintaining a strong defence, communicating and getting to the attacking zones improved week on week. The last couple of games were a display of everything that had been talked and trained all season, executed brilliantly. The joy shared in defeating Esquires in the semi final, a team we had not defeated in a few years, was the result of every player playing the game plan and committing to playing as a team.

With an age range of turning 14 to 43 and lives differing from school to uni, part time work, full time work, babies, young children, partners and travel, all our #suthowomens Premier League ladies can be very proud of the respect they gave one another, the time they have invested into friendships and their ongoing support of each other.

A big thank you to Anna Barton for her superb managing of the team again this season. From making sure the lollies are everyone's favorites, to match cards and playing stats; Anna handles the details with precision as well as improving her own game as GK, showing incredible personal strength to overcome.

Thanks to the #suthowomens 2nd and 3rd grade players who filled in throughout the season. Special mention to Felicia Swift for her constant willingness to double up for 1st and 2nd grade, never allowing her commitment to her own team to waiver. Thanks also to Sam and Wade with the mid season selections and being willing to support the Premier League team when it meant a change for the 2nd grade team.

Congratulations Ladies - you had a great season and should be very proud of your achievements. Look out 2018 - 3 more spots up the ladder and we have a Premiership!

Player's Player – Kendelle Tait

Coach's Award – Kristen Agius

**Sarah Dredge**

Senior Women's Head Coach

## 2<sup>nd</sup> Grade – SEHA Division 2

SEHA Women's 2<sup>nd</sup> Division: 5<sup>th</sup>

This year's team finished 5<sup>th</sup>, missing out on the finals this season. Our team was one of the youngest teams in the competition with 8 of our player's still playing junior hockey. However it created great opportunity for our younger players to learn from our more experienced players in the team and to challenge themselves in a senior competition. This year could be described as a building year for the 2<sup>nd</sup> grade women's, and we look towards next season with great enthusiasm knowing that we will only get better and better. We came into

this season looking to have fun and play some good hockey and Sam and I believe our team had a fun and successful season even though we missed finals, our younger players developed incredibly from juniors to seniors and overall our team learnt new skills and gained a better knowledge of gameplay.

Trainings this season, at the beginning of the season we realised we were a predominantly defensive team just after one training session, with about 9 midfielders/fullbacks and only 5 strikers. We trained hard learning new skills and positions. Ultimately became closer as a group week by week learning and training together, fuelled by hockey and banter. Every week we worked on skills, fitness and gameplay, and towards the latter end of the season a bit of skills, but mainly gameplay. We had a focus every week to learn but also have some fun.

Games this season, game after game we improved, yes like all teams we would have a bad week, but at the end of the day I can easily say we developed playing as a team and with great conviction and confidence in our game. Every player stepped up and showed they deserved to be here. Stricken with injury for most of the first half of the season, we were in short supply of forwards, but our experienced defensive line and goal keeper kept us in the hunt for 3 points every game. As the season progressed we branched out from holding very defensive and became more attacking, scoring goals and defending them as well. And eventually we became one of the stronger teams in our competition, each game we gave a 110% and played some great hockey.

Ultimately Sam and I couldn't be prouder with how a team developed as players and individuals, this team is filled with many talented players both young and old, also an incredibly kind and caring team that made it easier for Sam and I every week. To our team we hope you had a fun season and learned a thing or two, we hope to see you next year for another crack.

Best and Fairest: Lauren Lee

Coaches Award: Raina Misfud

**Sam Lackey and Wade Tonna**  
Co-Coaches

### 3<sup>rd</sup> Grade Wildcats – SEHA Division 3

2017 was another successful year for the Wildcats, showcasing that age is no barrier when it comes to determination and a never say die attitude. The team consisted of several very experienced (soon to be) quintastics (over 50's), a number of dedicated sexagenarians (over 60's) and some ever ready bunnies (under 30's). The season also saw the Wildcats welcome 4 new players who instantly found their feet and contributed to the team's success throughout the season.

The Wildcats started the season strongly with two straight wins. A brief break to their season saw most of the team travel to New Zealand to participate in the World Masters Games where they finished 5<sup>th</sup> in their age competition. Upon their return they continued to dominate, winning another 3 games. Mid way through the season, injury, work and holiday commitments took a toll but the Wildcats dug deep to end the season with 11 wins and 5 losses. This ensured them a place in the final series and placed them third overall.

The team entered the final series with a major loss to their line-up. Bev Williams displaying true club spirit, while supporting our second division team broke her ankle finishing her season abruptly. The first two games of the final series saw the Wildcats come away with two convincing wins, with no goals against. After holding the POHOGS to a 2-2 draw in the grand final at the end of full time, the Wildcats headed into a game of sudden death with drop offs. After 7.5 minutes with 9 players and no score the team dropped to 7 players, with only 3.5 minutes to go the Cats dream of a premiership win or joint premiers was dashed as POHOGS scored, making the end score 3-2. Despite the disappointment of not taking home the premiership the Wildcats came away proud of their season and keen to make amends in 2018. Kate Whitton being named Player of The Match.

#### Season highlights:

300 games	Lois Scott and Bev Williams
500 games	Lyn smith
Best and Fairest	Kate Whitton
Coach's Award	Elise Cummins

Jackie & Chris

## **2016 LIFE MEMBERSHIP – Peter Tait**

Peter Tait joined the Club in 1994 and has played some 320 games, the vast majority in 1<sup>st</sup> Grade. In his playing career, Peter played in two Sutherland 1<sup>st</sup> grade premierships (1998 and 2004), and then with Sutherland 2<sup>nd</sup> grade in their 2006 premiership.

After finishing his playing career in 2008, Peter moved to coaching of Sutherland senior teams – and had immediate success coaching Sutherland 2<sup>nd</sup> Grade men to premierships in 2009 & 2010. In 2011 he moved on to coaching Sutherland's 1<sup>st</sup> grade men's team and achieved memorable back-to-back 1<sup>st</sup> Grade premiership victories in 2011 and 2012.

In 2013 Peter turned his focus to coaching juniors. In 2014 he set up the Sutherland Hockey Academy whereby the best junior players in the Club are given high quality coaching by the Sutherland senior players & coaches. In the last few years he has managed several Level 1 Coaching courses, which has lifted the overall standard of coaching within the Club.

Peter's contribution has also extended into the administration of the Club. In the late 1990's, Peter served as Ground Convenor for 2 years and then in 2014 became Vice-President of the Club, a position he has held since that time. In 2001, Peter spent many hours assisting Mick Millar in the installation of the electrical systems to operate the watering system on Sutherland's first water based turf.

In 2016 he took on coaching of the Club's 2<sup>nd</sup> Grade Women's team, and had his 5<sup>th</sup> premiership success in 5 starts as a senior coach with the Club. In 2017 he has had further premiership success as coach of both the Club's 1<sup>st</sup> grade men's team and the u15 Metro team.

In 2016 he was named as Coach of Sutherland's 50 Year Men's Team. In 2011 and again in 2017, Peter was presented with the Sydney Hockey Association Gladys Yates "Coach of the Year" trophy.

Peter has been a dedicated player, coach, mentor and administrator in a Club involvement spanning 22 years and continues to work tirelessly for the betterment of Sutherland Hockey Club.

## **2016 LIFE MEMBERSHIP – Beverley Williams**

After playing in Newcastle for many years, Bev Williams joined Sutherland Hockey Club in 2005. Since that time Bev has played 221 games for Sutherland as at the conclusion of the 2017 season, commuting from Newcastle each week to play. As a player she was a key member of the Wildcats, which won premierships in 2005, 2007, 2008, 2012 and 2013.

For her entire time with Sutho, Bev has been an outstanding contributor and worker for the Club, particularly in the canteen and supporting the operation of key events. In recognition of her contribution she was presented with the Club's Outstanding Service Award in 2007, 2008, 2009, 2010 and 2012 – a unique achievement and evidence of the wonderful service she has consistently provided over many years.

## **2017 ASSOCIATION AWARDS**

### **Sydney Hockey Association “Gladys Yates Trophy”**

Peter Tait

In a coaching career with Sutherland Hockey Club covering juniors, senior women and senior men, Peter’s coaching achievement’s in 2017 have been particularly significant and have been recognized by Sydney Hockey Association in awarding him the Gladys Yates “Coach of the Year” Trophy for 2017:

- Coach of Sutherland’s 1<sup>st</sup> grade (PL1) senior men’s team, which won the 2017 SHA PL1 Grand Final
- Coach of Sutherland’s u15 Metro Sutherland Blue team, which won the 2017 u15 Metro Grand Final
- Peter achieved his NCAS Advanced Coach (Level 3) qualification this season
- Peter was named as a Selector for NSW u18 Boys for 2018

### **Sydney South Hockey Association “Kevin Connelly Trophy”**

Dakota Jattan

Candidates for the Sydney South Association’s “Kevin Connelly Trophy” must have made substantial contributions to junior and/or senior hockey in the form of coaching, umpiring and playing.

Dakota played as goalkeeper in our senior men’s teams this year, and participated in the u18 State Championships, representing Sydney East No. 2 team.

Dakota has umpired extensively this season at multiple Age State Championships for Sydney South, he is a regular umpire for the SSHA J1 competition, SEHA Juniors, Sydney Metro games on Friday nights, and SHA men’s games. Most recently he has been selected to umpire for NSW at the Australian Primary Schools (PSSA) Championships in Adelaide. Along with his umpiring he also assisted with junior umpire accreditations and development.

Finally, Dakota was also coach of our club’s u13B Thorny Devils team this season – his first season as Team Coach after a couple of years as Assistant Coach of u11 teams.

## **2017 CLUB AWARDS - SENIORS**

### **Male Player of the Year**

Keiran Govers

### **Female Player of the Year**

Jo Momsen

The Club’s Player of the Year Award is designed to recognise a male and female player whose overall performance during the season provides a model for all aspiring players. In particular, the award recognises a player demonstrating:

- A positive attitude to the game, their team, and the Club,
- A commitment to perform to the very best of their ability at all times and in all circumstances,
- A commitment to improve their game, irrespective of the level they have reached, through their application to training, and,
- A significant contribution to the effectiveness of the team(s) with which they have played.

**Outstanding Service Award**

Trish Krepp and Bill Melchert

The Outstanding Service Award recognises non-Committee people who have made a special and significant contribution to the operation of the Club.

Bill Melchert's outstanding support for the Club over many years with the regular cleaning, land care and maintenance activities on and around the synthetic surface is unseen by many, but to the benefit of all. The good condition of our synthetic surface after 12 years of operation is testament in no small part to Bill's care and diligent work over many years.

Trish Krepp has been another selfless worker on behalf of the Club over many years, and in particular over the last few years has been the mainstay of the volunteer group operating the canteen. During the winter playing season, and then the subsequent Summer Schools competition, more often than not Trish can be found inside the canteen keeping the food and drinks coming to the hungry and thirsty!

**Club Person of the Year**

John Cowan

Club Person of the Year is voted on by the Committee, and recognises outstanding service in support of the operation of the Club over the last 12 months. John has again made a huge contribution to the Club's operation over the previous 12 months in his capacity as Canteen Manager (a role he undertakes jointly with Peter Krepp), coach of the 2<sup>nd</sup> grade men's team, skills coach and video analysis with 1<sup>st</sup> grade squad, and his management of the Term 4 Summer Schools Competition.

## **2017 CLUB AWARDS - JUNIORS**

**Junior Male Player of the Year**

Damon Arapa

**Junior Female Player of the Year**

Claudia Johnston

**Junior Umpire of the Year**

Dakota Jattan

**Junior Umpire Encouragement Awards**

Lachlan Cartwright and Hayden Neale

**Junior Service Award**

Matthew Staples, Nicholas Rose and Jay Kelly

**Junior Club Person of the Year**

Dakota Jattan

## Association Representative Teams

### **Illawarra South Coast Senior Men's 1**

- Nathan Ackroyd, Brady Anderson, Keiran Govers, Jack Hayes, Christian Halyard

### **Illawarra South Coast Senior Men's 2**

- Zac Nyrrhinen

### **Sydney East Senior Men**

- Luke Noblett

### **Sydney South Hockey Association – Senior Womens**

- Kristen Agius, Bella Anceviski, Stephanie Anceviski, Clare Callinan, Alex Noy, Jemma Sears

### **U18 Boys Sydney South Hockey Association Team**

- Damon Arapa, Nicholas Donni, Joshua Gilbertson, Christian Halyard, Jay Kelly, Riley Lloyd, Kosta Mastros, Mason Neale, Ryan O'Leary, Harry Roberts, Nicholas Rose, Mitchell Shipp, Matthew Turner, Nicholas Wilde, Hayden Neale, Blake Hernandez

### **U18/1 Boys Illawarra Representative Team**

- Joel Westblade

### **U18/2 Boys Sydney East Hockey Association Team**

- Dakota Jattan

### **U18 Boys Nepean Hockey Association Team**

- Luke Arapa

### **U18 Boys Dubbo Hockey Association Team**

- Charlie Johnston

### **U18/1 Girls Sydney South Representative Team**

- Stephanie Anceviski, Isabella Anceviski, Clare Callinan, Naomi Duncan, Rebecca Janes, Claudia Johnston

### **U18/1 Girls Illawarra Representative Team**

- Helena Tobbe

### **U18 Girls Lithgow Representative Team**

- Brenna Croker, Rylee Millar,

### **U18/1 Girls Sydney East Representative Team**

- Kendelle Tait

### **U18/2 Girls Sydney South Representative Team**

- Paris Barnard, Jess Gilbertson, Andrea Martin, Theresa Wilde

### **U15 Boys Sydney South Hockey Association Team**

- Luke Arapa, Mitch Bardsley, Huon Bollard, Angus Callinan, Aidan Doyle, Blake Hernandez, Charlie Johnston, Zak Keelan, Hayden Neale, Lachlan O'Leary, Lachlan Prentice, Oliver Turner, Harry Williams, Luca Zarschler

### **U15/1 Boys Sydney East Hockey Association Team**

- Daniel Byrant

### **U15 Boys Nepean Hockey Association Team**

- Oliver Bollard, Elliot Stark

### **U15 Girls Sydney South Hockey Association Team**

- Paris Barnard, Jessica Gilbertson, Kiara LeGras

### **U15 Girls Lithgow Hockey Association Team**

- Brenna Croker, Rylee Millar,

### **U15/1 Girls Sydney East Hockey Association Team**

- Leilani Innes, Kendelle Tait

### **U13 Boys Sydney South Hockey Association Team**

- Jett Austin, Oliver Bollard, Thomas Bryden, Kian Johnson, Isaac Olsen, Noah Palmer, Matthew Rose, Elliot Spence, Lachlan Staples, Bryon Watson, Sohan Mavji, Kai Morris

### **U13/1 Girls Sydney South Hockey Association Team**

- Chloe Antilla, Piper Bentley, Chloe Holmes, Shontae Salmon

### **U11 Boys Sydney South Hockey Association**

- Jonty Austin, Jack Margetson, Peter Rast, Cameron Sprod, Finne Wille

### **U11 Girls Sydney South Hockey Association**

- Kalahni Crews, Amy Whetters

### **U11 Girls Sydney East Hockey Association**

- Mayah Tait

**NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 30TH SEPTEMBER 2017**

**NOTE 1 STATEMENT OF ACCOUNTING POLICIES**

The Committee has determined that the Association is not a reporting entity and consequently it is not required to prepare a general purpose financial report, These financial statements are a special purpose financial report prepared solely to satisfy financial reporting requirements of the Associations Incorporation Act (NSW).

The statements are based on historic costs and do not take into account changing money values.

Property plant and equipment is depreciated on a straight line basis over its estimated life.

## **Independent Auditor's Report**

**To the Members of Sutherland District Hockey Club Inc**

**Report on the Financial Report for the year ended 30th September 2017.**

I have audited the accompanying financial statements of Sutherland District Hockey Club Inc, being a special purpose financial report comprising the Statement to members of the Management Committee, Income and Expenditure Statement, Balance Sheet and Notes to and forming part of the accounts, for the financial year ended 30th September 2017.

The Responsibility for the Financial Report.

The Management Committee is responsible for the preparation and fair presentation of The Financial Statements in accordance with Australian Accounting Standards (including Australian Accounting Interpretations). This responsibility includes establishing and maintaining internal controls relevant to presentation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditor's Responsibility.

My responsibility is to express an opinion on the financial report based on my audit. I have conducted my audit in accordance with Australian Auditing Standards. These Auditing Standards require that I comply with relevant ethical requirements relating to audit engagement and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgment, including the assessment of risks of material misstatement of the financial report, whether due to fraud or error. In making these risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design the audit procedures that are appropriate to the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of the accounting policies used and made by the Management Committee as well as evaluating the overall presentation of the financial report.

It is common in organizations such as Sutherland District Hockey Club Inc to effectively maintain a system of internal control over equipment sales, member fees, canteen sales, artificial turf hire and other receipts until an initial entry into the accounting records. Therefore, my audit in relation to the cash receipts was limited to amounts recorded.

I believe the audit evidence I obtained is sufficient and appropriate to provide a basis for my audit opinion.

Auditor Independence.

As auditor for the audit of Sutherland District Hockey Inc for the financial year ended 30th September 2017 I declare that, to the best of my knowledge and belief, there have been no contraventions of the code of conduct relating to independence in APES 110 Code of Ethics for Professional Accountants issued by the Accounting Professional and Ethical Standards Board.

I do declare that I am a Life Member of Sutherland District Hockey Club Inc but other than act as Honorary Auditor I have taken no other active role in the management of the organisation.

**Audit Opinion.**

**In my opinion the financial statements present a true and fair view of the financial position of Sutherland District Hockey Club inc as at the 30th September 2017 and its financial performance and cash flows for the year then ended in accordance with Australian Accounting Standards (including Australian Accounting Interpretations).**

**Date of this audit report: 1st November 2017.**

**Thankyou!**

To all the coaches, managers, umpires, officials,  
parents and supporters who volunteered their  
time and made 2017 a season to remember for  
all our hockey players
